**Executive Headteacher: Mr S Payne**

*Together, we inspire, discover and achieve*

Friday 11<sup>th</sup> January 2019

Dear Parents/Carers,

Happy New Year to you all!

Both schools have had a really positive start to the term. Our Behaviour launch day went really well and the children are responding to it really well. It's also been really impressive to see the children settle in to their learning so quickly after the break. The term ahead sees us enter in to another busy period with lots of exciting learning opportunities both in and out of school. We look forward to another successful term.

**Avonreach**

Following on from the previous information I shared in relation to the recent Avonreach decision to move towards a two tier school system in Pershore, I thought I might offer some reassurances.

At the moment the decision has been approved but only on the proviso that a plan can be put in place that all stake holders agree with. Meetings are to be held during the spring term with this in mind and, at the moment, we know little more than that. Those of you that are aware of how this was handled in both Redditch and Droitwich will know that this can be a long and arduous process.

What I do know is that, as we are now, St Nicholas CE Middle School will continue to offer what I believe to be a quality and rounded education that prepares our pupils for their next step in to high school. We are proud of our specialist teaching and Year 7 provision and we will constitute to offer this moving forward.

As a school, myself and the governing body always have to look at all the options and what's best for the school and the children, and I intend to attend all the planned meetings to ensure that I and the governors are fully informed. We will be working with the DoWMAT and other local schools to make sure that education routes are clear for parents.

I will obviously let you know if there are any further developments.

Thank you for your continued support.

Mr Payne
