Together, we inspire, discover and achieve

Thursday 13th December

Dear Parents / Carers,

As we approach the end of term, I'd like to share with you some staffing changes that will be taking place at the Federation.

Mrs Francis

At the end of this term Mrs Francis has decided that she will be leaving St Nicholas CE Middle School. She has taught Science and Maths at the school since 1991 and the pupils, staff and governors will be sorry to see her go. During my short time here I have very quickly learnt that Mrs Francis is an extremely dedicated member of our team who only has the best interests of the children at the heart of what she does. She has also been a great friend and mentor to many staff over the years and I know that those who have known her longest will be particularly sorry to see her go. On behalf of the pupils, staff and governors I wish her all the very best for the future.

From January Mrs Francis' Science and Maths sessions will be taught by Mrs Smith who is well known to the children.

Mrs Screen

Our Year 5 teacher, Mrs Screen is also moving on at the end of this term. Mrs Screen has decided to move away from the profession and venture on to pastures new. Again on behalf of all of us here at the Federation, I'd like to wish her well for the future.

Mrs Screen's Year 5 class will be taught by Mr Allen up until the end of January, and then Mrs Turner will teach them until the end of the year. I'd like to reassure parents that our very capable Year 5 team will be supporting both teachers in delivering the best possible educational diet for the children in 5B.
